

ABERFOYLE CAMPUS PEDAL PRIX SPONSORSHIP

WHO ARE WE?

The Aberfoyle Park Primary School Campus is a unique collaboration between DECS, Catholic Education and the Uniting Church. In this dynamic learning environment, 3 schools (Thiele – DECS, Nativity - CEO and Pilgrim –Uniting Church) strive to deliver a contemporary curriculum which develops the whole child.

We share facilities such as the gymnasium, sporting grounds, Resource Centre (library), and meeting hall. We also share human resources including music teachers, language teachers and administration staff.

Although some other sites may claim to collaborate, we are the only site in South Australia (and possibly the whole country) where the public and private educational systems come together for the benefit of a learning environment that offers choices to the community.

That is why we are different from any other educational facility in the country - we live what we teach our future generation. The collective campus has in excess of 900 students in addition to kindergarten children at our on-site facility.

This means that the target audience of any potential sponsors is in excess of 600 families and their purchasing power.

WHY WOULD ANYONE SPONSOR US?

If you have children yourself, you will know that "showing" your children is a much better way of teaching than "telling".

As a business considering partnering with us, what better way to promote your company, products and community spirit than joining forces with a truly unique educational environment?

WHAT IS PEDAL PRIX?

The Australian International Pedal Prix is a body that control and conduct Human Powered vehicle (HPV) competitions in South Australia.

Its website is www.pedalprix.com.au.

Put simply, kids participate in the design, construction, and maintenance of Human Powered Vehicles (3 wheeled, sitting in a recumbent position) and race these vehicles in 6 and 24-hour events during the year.

Events for 2012 are as follows:-

Round 1	27 May	Victoria Park	6 Hour
Round 2	29 July	Victoria Park	6 Hour
Round 3	14-16 September	Murray Bridge	24 Hour

WHY DOES OUR CAMPUS PARTICIPATE IN PEDAL PRIX?

As a voluntary exercise, this is another "sport" that allows any of our senior students (years 6&7 and aged 11 to 13 years) to participate in a team-building, exercise driven, mentally challenging and disciplined event.

We do not ask our students to be super-human athletes. Many children have differing talents that are not sport oriented, yet Pedal Prix allows all children to participate in a physically challenging environment. As long as they are trying their personal best it is irrelevant that some are larger, slower, or less popular than others. All we ask is for a personal commitment to the best of each student's abilities. Having said this, many of our participants greatly improve their fitness during their training and continue on in sport as a result of their participation.

This is closely aligned to how our whole campus operates and it is for this primary reason that we choose to compete in the HPV series.

In 2011 we formed our own Old Scholars Team. This team comprises dedicated and driven riders who have participated at primary level, but have moved on to high school, where their high school does not offer this amazing sport. These riders encourage and motivate the younger riders, which benefits the primary team as well as building leadership skills for these experienced riders, skills that are valuable throughout life.

OUR TEAM IN 2011

We have spent the past three years replacing our fleet of bikes. Driven by an enthusiastic mechanic team, we have spent many hours raising funds to fund the building of our bikes. When received, these vehicles are nothing more than a white shell and a bare chassis and cost around \$5,000 each including some sponsorship. Many hours are then spent by our mechanic team to build them into the beautiful bikes they are. We have been overwhelmed by the generosity of a number of businesses who have assisted by providing sponsorship, bike parts or assisting with spray painting. They have helped to keep the costs down, while producing a professional finished product.

These bikes draw much attention, particularly from older teams who are amazed at the achievements of the combination of the bikes with our incredible team of primary and lower high school riders.

HOW CAN YOU HELP?

First, you must determine if our ethics and ethos on campus align with yours.

Do you consider that collaboration, participation, working together and rewarding personal achievements are key points to the success or otherwise of your business?

If so, and you are looking to provide a “hand-up” instead of a “hand-out”, then your business support will be greatly appreciated.

We need to provide competitive bikes, safety equipment, and associated facilities to our riders, to ensure that Pedal Prix in our community remains and continues to strengthen.

This costs money and our community does not have sufficient resources to continue to provide all of the minimum requirements. At the same time, we do have some financially disadvantaged families that cannot afford the entrance and registration fees to race for the year, making it difficult for their child to compete.

SPONSORSHIP LEVELS AND VALUE PROPOSITION

We have introduced levels of sponsorship so that you can understand the benefits your organisation can receive through sponsorship.

Sponsor Level	Gold	Silver	Bronze
Value	\$1,000 +	\$500 +	< \$500
Benefits for your sponsorship:-			
Acknowledgement in regular newsletters to approximately 30 Pedal Prix families	✓	✓	✓
Regular acknowledgement in Campus newsletters to 600 families (3 schools)	✓	✓	✓
Thank you letter and team photo	✓	✓	✓
Acknowledgement on our website and link to your website	✓	✓	✓
Your logo on team banner displayed at track	✓	✓	✓
Your logo on up to 40 team shirts	✓	✓	
Your logo on all vehicles	✓	✓	
Naming rights to one vehicle	✓		
Your logo on our high profile trailer	✓		

Bronze

We encourage sponsors of smaller amounts eg \$100 or \$200 up to \$500 in cash or goods and services (eg food, water bottles, caps etc). As part of the sponsorship, we will send a letter to every Pedal Prix family recognising your specific support and ask that they support your business. We are able to include with this letter any particular advertising or promotional material you supply (eg \$5 off your next purchase - or whatever deal you consider appropriate).

You will receive acknowledgement on our website with a link to your website (if provided) and your name on our team banner displayed on the track.

You will also be acknowledged in regular school newsletters sent to approximately 600 families on Campus. At the end of the season you will receive a thank you letter and a team photo that you can proudly display at your premises.

Silver

As a silver sponsor for amounts of \$500 or above, you will receive all the benefits of the bronze sponsorship above, plus, your logo on our team shirts and on each of our vehicles, seen by thousands of people at Victoria Park plus in excess of 20,000 people at the Murray Bridge track. Our riders regularly wear their shirts with pride during their normal lives, further exposing our sponsors logos in the local community.

You will need to eMail us your logo (Tiff file or JPEG) and provide 12 stickers with your logo (no larger than 350mm X 100mm).

Gold

We consider any business that invests \$1000 or more to be a major sponsor. You will receive all of the benefits listed above plus we offer naming rights to one of our vehicles for a year. Continuing sponsorship will ensure continuing naming rights. The vehicle name is shown on the Campus Pedal Prix website and called out regularly at the track.

Gold sponsors are encouraged to supply 4 sets of decals to a maximum size of 600mm X 400mm so that they can be displayed on our trailer. An additional 4 sets (no larger than 350mm x 100 mm) will need to be provided for our vehicles.

Our trailer is 5 metres long, 2.5 metres wide and 2 metres high. Pictures of this trailer are on our website. To access our site, go to www.campuspedalprix.com.au

The trailer is on the road every weekend for 6 months of the year as we practice for the race. It attracts enormous attention because of its burgundy colour and its physical size. This trailer is readily recognisable at the racetrack, and the 24-hour event sees a crowd of 20,000 people or more.

Contact Details

Should you wish to discuss sponsorship further or to sign up as a sponsor please contact:-

Steve Owens
